**PRICE**

**Price isn't important to everyone**

Remember — if we all bought based on the cheapest price, we'd all be driving Yugos to work.

**TESTIMONIALS**

**Testimonials**

People believe testimonials. If you're not using testimonials, you're missing out on a great way to promote your business. How do you get testimonials?

Easy: Write to your satisfied customers and ask for them.

Ask them for their honest opinion about your product or service.

**CARDS**

**Business Cards**

Here are some tips to make your card work better for you:

Laminated business cards are hard to throw away.

Your photo on the card makes it easy for prospects to remember you.

List your services on the reverse side of your card.
